ACADEMIC HISTROY

Table with 4 columns: Title of degree/ award, Name of institution, City & Country of Institution, Date completed

PROFESSIONAL WORK EXPERIENCE AND TAFE QUALIFICATIONS

The Faculty of Land and Food Resources recognises the value of professional relevant work experience and the circumstances of candidates, who for a variety of reasons, have not been able to enter or complete study at undergraduate degree level, but can offer evidence of TAFE qualifications and relevant professional work experience.

If work experience is being offered as a basis for selection to a LFR postgraduate award, documentation of relevant work experience must be provided. This documentation should include a brief position description, length of service, whether the position was part time or full time, the employer's reference and must be submitted on the employer's official letterhead.
